

Announcement January 2021

The National Terrier Club

Championship Show 3rd April 2021

The Officers and Committee have reluctantly decided to cancel the 2021 Championship Show due to the uncertainty of the situation as a result of the pandemic. The welfare of our members, exhibitors, judges, stewards and helpers is a major concern and at the present time of lockdown with the current restrictions to adhere to, it is not realistic to attempt to proceed with the event.

We are all disappointed but in the interests of health and safety, we feel this is the correct way forward.

The AGM scheduled for the 6th February 2021 has also been cancelled. Members will be informed of the new date and venue when restrictions allow.
